

## SCH Parent Satisfaction Survey August 2025 -April 2026, 42 Participants

I was informed about my goals progress during supportive program. I believe my child made quality of care my child welcomed and comfortable, and respected. I believe this is a safe and my child parent/caregiver was environment was clean, and progress. I am satisfied with the treatment received. I felt that my input as a parent/caregiver was welcomed and comfortable, and respected.

How likely are you to recommend this program to another family?
